1. Purposes.

1.1. The Zope technology is a high-quality, vendor-neutral, open software development platform supplying frameworks and exemplary, extensible tools released under the Zope Public License (the “Zope Platform”).

1.2. The purpose of Zope Foundation, Inc. (the “Zope Foundation”), is to advance the creation, evolution, promotion, adoption and support of the Zope Platform and to cultivate both an open source community and an ecosystem of complementary products, capabilities, and services. The Zope Foundation may solicit, receive and maintain, invest and re-invest funds of real and personal property and to contribute its income and so much of the principal, in and as deemed advisable for the purposes above. The Zope Foundation may pursue interests in publishing and education to the extent these activities support the Zope Platform.

1.3. The Zope Foundation is formed exclusively as a non-profit charitable association, as set out in section 501 (c) (3) of the Internal Revenue Code (the “Code”).

2. Registered Offices and Agents.

2.1. The address of the initial registered office in the State of Delaware and the name of the initial registered agent of the corporation at such address are set forth in the Certificate of Incorporation.

2.2. The corporation may, from time to time, designate a different address as its registered office or a different person as its registered agent, or both; provided, however, that such designation shall become effective upon the filing of a statement of such change with the Secretary of State of the State of Delaware as is required by law.

2.3. The Corporation may also have offices at such other places within or without the State of Delaware as the Board (“Board”) may from time to time determine or the business of the Corporation may require.

3. Board.

3.1. General. The business and technical affairs of the Zope Foundation shall be managed by or under the direction of the Board. The Board shall also be empowered to adopt rules and regulations governing the action of the Board and the Zope Foundation, generally, and to allocate, distribute and/or pay out the
moneys received by the Zope Foundation from time to time, subject to section 501(c)(6) and other applicable provisions of the Code, the provisions of the General Corporation Law of the State of Delaware, and the approval of the Membership At-Large with respect to Section 6.5, as applicable.

3.2. Number of Directors. The number of directors constituting the whole Board shall be subject to adjustment from time to time based upon the composition requirements set forth in Section 3.3 below with respect to Member representation on the Board, but shall in no event be less than one (1) director.

3.3. Composition of the Board. Members of the Board shall be appointed or elected, as applicable, in the following manner:

3.3.1. Strategic Developers. Each Strategic Developer Member (as defined in Section 6.2.1 below) shall be entitled to appoint one (1) representative to the Board (a “Strategic Developer Director”), provided that, such representative must be an employee, officer, or director of the nominating Strategic Developer Member in order to be eligible to serve as a Strategic Developer Director. Upon the termination of the membership of a Strategic Developer Member pursuant to Section 6.17, any Strategic Developer Director nominated by such Strategic Developer Member shall be removed from the Board immediately therewith. The provisions of this Section 3.3.1 may not be amended without the unanimous consent of the Strategic Developer Members in addition to any and all other requirements including, but not limited to, the voting requirements of Section 3.10 and Section 11.10 for amendment of these Bylaws set forth herein.

3.3.2. Strategic Consumers. Each Strategic Consumer Member (as defined in Section 6.2.2 below) shall be entitled to appoint one (1) representative to the Board (a “Strategic Consumer Director”), provided that, such representative must be an employee, officer, or director of the nominating Strategic Consumer Member in order to be eligible to serve as a Strategic Consumer Director. Upon the termination of the membership of a Strategic Consumer Member pursuant to Section 6.17, any Strategic Consumer Director nominated by such Strategic Consumer Member shall be removed from the Board immediately therewith. The provisions of this Section 3.3.2 may not be amended without the unanimous consent of the Strategic Consumer Members in addition to any and all other requirements including, but not limited to, the voting requirements of Section 3.10 and Section 11.10 for amendment of these Bylaws set forth herein.

3.3.3. Committer Member. Committer Members (as defined in Section 6.2.5 below), as a class, shall be entitled to elect the same number of Directors

3.3.4. Solution Provider Member. Solution Provider Members (as defined in Section 6.2.4 below), as a class, shall be entitled to elect one (1) Director (“Solution Provider Directors”) for every three (3) Strategic Developer Directors then seated on the Board. In no event shall Solution Provider Members be entitled to elect less than one (1) Solution Provider Director. The Solution Provider Director(s) shall represent the entire Solution Provider class of Members. Only Solution Providers are eligible to serve as Solution Provider Directors. Solution Provider Director seats shall be filled via annual at-large elections by the Solution Provider Members using the Single Transferable Vote process.

3.3.5. Associate Member. Associate Members (as defined in Section 6.2.6 below), as a class, shall be entitled to elect one (1) Associate Director. The Associate Director seat shall be filled via annual at-large elections by the Associate Members using the Single Transferable Vote process.

3.4. Zope Corporation: Zope Corporation (or its successors or assigns) shall be entitled to appoint one (1) Director in addition to any appointments or elections to which it might be entitled by virtue of other Foundation participation (e.g., Strategic Developer Membership). Zope Corporation (or its successor or assigns) may, in its sole discretion, irreversibly surrender this right at any time by giving written notice to the Zope Foundation.

3.5. A director shall be deemed to be in Good Standing, and thus eligible to vote on issues coming before the Board, if the director has attended (in person or...
telephonically) a minimum of three (3) of the last four (4) Board meetings (if there have been at least four meetings), unless such absence has been approved by the Chairman of the Board (as defined in Section 5.3.1), in his or her reasonable discretion. Strategic Developer Members and Strategic Consumer Members may replace their representative on the Board at any time by providing written notice to the Secretary of the Zope Foundation, as defined in Section 5.3.3 (the “Secretary”). In the event a Board member is unavailable to attend or participate in a meeting of the Board, he or she may send a representative and may vote by proxy, which shall be included in determining whether the director is in Good Standing. A director shall be immediately removed from the Board upon the termination of the membership of such director’s Member organization in accordance with Section 6.17.

3.6. All directors shall hold office until their respective successors are appointed or elected, as applicable. There shall be no prohibition on re-election or re-designation of any director following the completion of that director’s term of office.

3.6.1. **Strategic Developer; Consumer Directors.** Strategic Developer Directors and Strategic Consumer Directors shall serve in such capacity until the earlier of their removal by their respective appointing Member organization or as otherwise provided for in these Bylaws.

3.6.2. **Solution Provider Directors; Committer Directors; Associate Director.** Solution Provider Directors, Committer Directors, and the Associate Director shall each serve one-year terms and shall be elected to serve until the next annual meeting and until their respective successors are elected and qualified, or as otherwise provided for in these Bylaws. Procedures governing elections of Solution Provider Directors, Committer Directors, and the Associate Director may be established pursuant to resolutions of the Board provided that such resolutions are not inconsistent with any provision of these Bylaws or the Certificate of Incorporation of the Zope Foundation.

3.7. All meetings of the Board may be held at any place within or without the State of Delaware that has been designated from time to time by resolution of the Board or by the written notice of the Chairman of the Board, as defined in 5.3.1.

3.8. The Chairman will schedule regular and (as applicable) special meetings of the Board. No Board meeting will be deemed to have been validly held unless the Chairman provided notice of same to each of the directors at least thirty (30) calendar days prior to such meeting, which notice will identify all potential actions to be undertaken by the Board at the Board meeting. Each Director may
waive the notice requirements of this paragraph with written notice to the Chairman in advance of the meeting. No director will be intentionally excluded from Board meetings and all directors shall receive notice of the meeting as specified above; however, Board meetings need not be delayed or rescheduled merely because one or more of the directors cannot attend or participate so long as at least a quorum of the Board (as defined in Section 3.11) is represented at the Board meeting. Electronic voting shall be permitted in conjunction with any and all meetings of the Board (including Special Meetings as set forth in 3.9 below) the subject matter of which requires a vote of the Board to be delayed until each such director in attendance thereat has conferred with his or her respective Member organization as set forth in Section 3.12.2.1.

3.9. Special meetings of the Board for any purpose or purposes may be called at any time by the Chairman or by fifty percent (50%) or more of the directors then in Good Standing and notice of such special meeting shall be given to all of the directors in accordance with Section 3.8 above.

3.10. Action by the Board. No action may be taken or approved by the Board that is outside the stated purpose of the Zope Foundation as set forth in Section 1. Except as provided herein, the Board may undertake an action only if it was identified by the Chairman in a Board Meeting notice or otherwise identified in a notice of special meeting and approved by the requisite number of directors as described below:

3.10.1. Simple Majority Required. For all other actions not specified by Sections 3.10.2 and 3.10.3, and for which the Board has authority to take within the stated purpose of the Zope Foundation as set forth in Section 1, such actions must be approved by no less than a simple majority of those directors in Good Standing represented at a Board meeting at which a quorum is present. Such actions requiring a simple majority vote include, but are not limited to, (i) approving a release plan for the Zope Platform; (ii) approving any and all officer and staff compensation packages; (iii) approving the Board’s regular meeting schedule; (iv) confirming the Chairman’s appointments to Standing Committees (as defined in Section 4.1); (v) appointing Board Committees (as defined in Section 4.2); (vi) approving promotion plans of the Zope Management Organization (specified in Section 7) or any Membership At-Large committee (specified in Section 8); and (vii) creating new Top Level Projects and Project Management Committees (as described in Section 7.1) that are consistent with the purposes of the Zope Foundation as set forth in Section 1.

3.10.2. Unanimous Consent Required. For actions (i) amending the terms of the Zope Public License (the “ZPL”) to include copyleft provisions, (ii)
amending the terms of Section 1 of these ByLaws, (iii) amending the terms of Section 3.4 of these ByLaws, and/or (iv) regarding the use of a contribution or distribution under a license other than the ZPL (subject to the exceptions set forth in the Zope Foundation Intellectual Property Policy (“IP Policy”) which cover contributions that may not be licensable under the terms of the ZPL), any such actions must be approved by all directors in Good Standing represented at a Board meeting at which a quorum is present.

3.10.3. Super-majority Consent Required. For actions, (i) approving or changing the name of the Zope Foundation or the Zope Platform; (ii) selecting standards organizations through which to standardize Zope Application Programming Interfaces (APIs); (iii) amending the Membership Agreement; (iv) except for actions specified in Section 3.10.2 as they relate to amending the Bylaws, amending these Bylaws or the Certificate of Incorporation of the Zope Foundation, (v) terminating a Member’s Agreement in accordance with its terms; (vii) approving changes to the Zope Development Process as described in Section 7.1 (viii) approving the appointment of a Project Management Committee lead when, at the time of approval, the appointment of that lead would result in more than fifty percent (50%) of the Project Management Committee leads being employees, consultants, officers or directors of the same company; (ix) approving changes to annual Member contribution requirements (Membership Fees and development resources if applicable), (x) selecting outside legal counsel; (xi) entering into any formal affiliation with another organization; and (xii) approving changes to the IP Policy; (xiii) amending the terms of the ZPL that do not introduce copyleft provisions; such actions must be approved by no less than two-thirds (2/3) of the directors in Good Standing represented at a Board meeting at which a quorum is present.

3.10.4. Action Without Meeting. Any action required or permitted to be taken by the Board at a meeting may be taken without a meeting if all of the directors in Good Standing shall consent in writing to such action. The action shall be evidenced by one or more written consents describing the action taken, signed by each director, and included in the minutes or filed with the corporate records reflecting the action taken. Any action taken hereunder shall be effective upon the receipt of the written consent of all of the directors in Good Standing for approval of the action under consideration. Electronic voting shall be permitted in conjunction with the solicitation of written consents as set forth in Section 3.12.2.2.
3.10.5. Requisite Membership Approval. To the extent required by Section 6.5 herein, certain actions approved by the Board in connection with Sections 3.10.1, 3.10.2, and 3.10.3 must thereafter be presented to, and approved by, the Membership At-Large prior to implementation by the Zope Foundation.

3.10.6. Telephonic Meetings. Directors may participate in a regular or special meeting by, or conduct the meeting through, use of any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is deemed to be present in person at the meeting.

3.11. Quorum.

3.11.1. Unless otherwise provided herein, a simple majority of the directors in Good Standing shall be necessary to constitute a quorum for the transaction of business, except that when the number of directors constituting the Board shall be an even number, one-half of the directors in Good Standing shall constitute a quorum.

3.11.2. A majority of the directors present; whether or not a quorum is present, may adjourn any meeting to another time and place.

3.12.1. General. Each director in Good Standing shall be entitled to one (1) vote on each matter submitted to a vote of the Board.

3.12.2. Electronic Voting. Electronic voting may be used in connection with both meetings of the Board and the solicitation of written consents as follows:

3.12.2.1. Meetings. For purposes of soliciting electronic votes in connection with a meeting of the Board at which a quorum was present, the requisite number of votes that would have been required at such meeting to pass an action shall be required to pass an action via this electronic voting provision. Only those directors in attendance of the meeting shall be permitted to vote with respect to this Section 3.12.2.1. The deadline for receipt of electronic votes with respect to any such vote shall be no sooner than two (2) weeks from the date of the meeting, as announced prior to adjournment of such meeting.

3.12.2.2. Action Without Meeting. For purposes of taking action without a meeting, solicitation via electronic balloting and voting shall be
permitted hereunder. Such procedure shall be initiated by the electronic distribution of ballots and all related materials for consideration by the Board to all of the directors in Good Standing at the time of such distribution. Thereafter, such directors shall be permitted to cast their votes electronically in response to the distributed ballots. The deadline for receipt of such electronic votes cast by the directors shall be no less than two (2) weeks from the date of mailing of the balloting materials, as set forth therein. The foregoing notwithstanding, the Directors attending a meeting for which a vote is solicited may, by unanimous vote during the meeting, reduce the minimum time for the return of ballots.

3.13. Reimbursement. Directors and members of Board Committees (as defined in Section 4.2) may receive such reimbursement for expenses as may be fixed or determined by resolution of the Board; provided that, such reimbursement for expenses shall be reasonable and shall be comparable to reimbursements paid by unaffiliated entities for a like expense.

3.14. Standard of Conduct. A director shall discharge the duties of a director, including duties as a member of any Board Committee upon which the director may serve, in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances. In discharging the duties of a director, a director shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, in each case if prepared or presented by: (a) one or more officers or employees of the Zope Foundation whom the director reasonably believes to be reliable and competent in the matters presented; (b) legal counsel, public accountants or other persons as to matters the director reasonably believes are within the person’s professional or expert competence; or (c) a Board Committee as to matters within the Board Committee’s jurisdiction, if the director reasonably believes the Board Committee merits confidence. A director is not acting in good faith if the director has knowledge concerning the matter in question that makes reliance otherwise permitted in this Section 3.14 unwarranted.

3.15. Resignation and Removal.

3.15.1. Resignation. Any director may resign at any time by giving written notice to the Board or the Executive Director and the acceptance of the resignation shall not be necessary to make it effective. A resignation is effective upon the date provided for in the notice. If no effective date is provided in the notice the resignation shall be effective as of its receipt by the Board or Executive Director. Once delivered, a notice of resignation is irrevocable unless permitted to be withdrawn by the Board prior to its
effectiveness.

3.15.2. Removal for Cause. Any director may be removed “For Cause” at a meeting called for that purpose. For the purposes of this Section 3.15.2, “For Cause” shall mean when any director has been (i) declared of unsound mind by a final order of court, (ii) convicted of a felony, or (iii) found by the Board to have breached any duty arising under these Bylaws or the Certificate of Incorporation of the Zope Foundation. Such director may only be removed “For Cause” after the affirmative vote of a simple majority of the directors in Good Standing (exclusive of the director facing removal) represented at a Board meeting at which a quorum is present.

3.15.3. Removal without Cause. Any Solution Provider Director, Associate Director or Committer Director, as applicable, may be removed without cause at a special meeting called for that purpose by the members of the class that appointed such director. Such director(s) may be removed hereunder only by the affirmative vote of two-thirds (2/3) of the members of the class that appointed such director represented at a special meeting at which a quorum is present. Strategic Developer Directors and Strategic Consumer Directors may only be removed without cause by their respective appointer Member organizations. Such a removal of Strategic Developer Directors and Strategic Consumer Directors do not require the approval of the Board.

3.15.4. Removal for Dues Delinquent. With respect to Strategic Developer Directors and Strategic Consumer Directors, in the event the Member appointing such director is in Default or Dues Delinquent (as set forth in Section 6.16 hereof), such director shall be removed from the Board, without further action by the Board or the Membership At-Large.

3.15.5. Vacancies. A vacancy or vacancies shall be deemed to exist (i) in the case of the death or the resignation or removal of any director (ii) if the authorized number of directors is increased without election or appointment, as applicable, of the additional directors so provided for; or (iii) in the case of failure at any time to elect or appoint, as applicable, the full number of authorized directors. Any vacancy of a Board seat appointed by a Strategic Developer Member or Strategic Consumer Member shall be filled within three (3) weeks of the vacancy by the Member whose Board seat has been vacated. A vacancy of a Board seat held by a Committer Director, Solution Provider Director, or the Associate Director shall be filled by the Board appointing a director from nominees proffered by the members of such class until the next annual election as
specified in Section 3.3.2, 3.3.4, and 3.3.5. In no event shall the failure of any Member or class of members to elect or appoint, as applicable, a new director to such vacant Board seat prohibit the Board from meeting and conducting business.

4. Committees of the Board.

4.1. Standing Committees. The Board shall have two (2) standing committees (each, a “Standing Committee”). Each committee shall consist of two (2) or more directors nominated by the Chairman, and confirmed by a simple majority of the directors in Good Standing represented at a Board meeting at which a quorum is present. Standing Committee directors may delegate their committee responsibilities to any individual that is an employee, officer, or director of an existing Member. Each Standing Committee may invite non-director advisors to participate in or attend certain committee meetings in order to assist the Standing Committee in the performance of its duties. The Board shall retain the right to limit the powers and duties of each Standing Committee.

4.1.1. Membership Committee. As further set forth in a Membership Committee charter, to be adopted by the Committee, the Membership Committee shall meet as necessary to review the membership policies of the Zope Foundation and to promote the growth of membership in the Zope Foundation. The Chairman may, from time to time, appoint additional directors to this committee as he or she deems necessary or appropriate, subject to Board confirmation as set forth above.

4.1.2. Finance Committee. As further set forth in a Finance Committee charter, to be adopted by the Committee, the Finance Committee shall have overall responsibility for the oversight of all corporate funds, and shall perform, or cause to be performed, the following: (a) review of all financial records of the Zope Foundation, (b) authorization of the deposit of all monies and other valuable effects in the name and to the credit of the Zope Foundation in such depositories as may be designated by the Board; (c) authorization of disbursement of all funds when proper to do so; (d) review of financial reports as to the financial condition of the Zope Foundation and/or making such reports to the Board; and (e) such other powers and duties as may be designated from time to time by the Board. The Chairman of the Board of the Zope Foundation may, from time to time, appoint additional directors to this committee as he or she deems necessary or appropriate, subject to Board confirmation as set forth above.

4.2. Appointment of Committees. The Board may appoint such committees as the Board from time to time deems necessary or appropriate to conduct the business
and further the objectives of the Zope Foundation (the “Board Committee”), including an Executive Committee. Any appointment by the Board of any other Board Committee having the authority of the Board, including the designation of one Board Committee member as the Chairman, must be by resolution adopted by a simple majority of the directors then in Good Standing represented at a Board meeting at which a quorum is present. Any committee having authority of the Board shall consist of two (2) or more directors. The Board shall retain the right to limit the powers and duties of any Board Committee that it has created and to disband any such Board Committee in its sole discretion. Board Committee directors may delegate their committee responsibilities to any individual that is an employee, officer, or director of an existing Member. Each Board Committee may invite non-director advisors to participate in or attend certain committee meetings in order to assist the Board Committee in the performance of its duties.

4.3. Powers and Authority of Committees. The Board may delegate to any Board Committee having the authority of the Board, any of the powers and authority of the Board in the management of the business and affairs of the Zope Foundation; provided, however, that no Board Committee may: (a) authorize payment of a dividend or any part of the income or profit of the Zope Foundation to its directors or officers; (b) approve dissolution, merger, or the sale, pledge or transfer of all or substantially all of the Zope Foundation’s assets; (c) elect, appoint, or remove directors or fill vacancies on the Board or on any of its committees; (d) adopt, amend or repeal the Certificate of Incorporation of the Zope Foundation, Bylaws or any resolution by the Board; or (e) perform Board actions specified in Sections 3.10.2 or 3.10.3 herein.

5. Officers.

5.1. Initial Officers; Board Empowerment. The officers of the Zope Foundation initially shall be a President, a Treasurer and a Secretary each of whom shall be elected by the Board. The Board may also from time to time appoint Assistant Treasurers and Assistant Secretaries and such other officers (including but not limited to an Executive Director and one or more Vice-Presidents) as the Board may deem advisable and who shall have such authority and shall perform such duties as from time to time may be prescribed by the Board. The Board shall have the power to create such other offices as it deems necessary in the best interest of the Zope Foundation. One person may hold two or more offices in the Zope Foundation, unless otherwise stated herein. In the event of any office becoming vacant because of removal, resignation or other reason, the Board may fill the vacancy at such time as it may determine. The officers may, but need not, be directors. Any number of offices may be held by the same person, unless the Certificate of Incorporation or these Bylaws otherwise provide. All officers, agents
and employees shall be subject to removal, with or without cause, at any time by
the affirmative vote of a majority of the directors in office at the time. Any agent or
employee other than one elected or appointed by the Board shall also be subject to
removal at any time by the officer or by the committee appointing him or her. In
addition to the powers and duties of the officers of the Corporation as set forth in
these ByLaws, the officers shall have such authority and shall perform such duties
as from time to time may be determined by the Board.

5.2. Nomination and Appointment. The officers of the Zope Foundation shall be
appointed annually by the Board in accordance with this Section 5. Each officer
shall, during his or her term in office, hold his or her office until he or she shall
resign or shall be removed or his or her successor shall be appointed.
Appointment of officers shall be held in December of each year. Each officer’s
term of office shall be for one year, and shall run from January until December of
the following year. There shall be no prohibition on re-appointment of an officer
following the completion of that officer’s term of office. The Board may, by
resolution, establish procedures governing nomination and appointment of
officers that are not inconsistent with these Bylaws.

5.3. Management Officers and Duties.

5.3.1. Chairman. The Board will elect a Chairman to coordinate the activities of
the Board.

5.3.2. Executive Director. The Board may appoint an Executive Director to
manage the business affairs of the Zope Foundation on a day-to-day basis.
The Executive Director shall report to the Board and shall be subject to the
oversight of the Board. The Executive Director may not be an employee,
officer, director or consultant of any Member of the Zope Foundation. The
Executive Director may execute on behalf of the Zope Foundation, and
when required, upon approval and at the direction of the Board, all
contracts, agreements, membership certificates and other instruments. The
Executive Director shall from time to time report to the Board all matters
within the Executive Director’s knowledge affecting the Zope Foundation
that should be brought to the attention of the Board. The Executive
Director may hire other employees as deemed appropriate. The Executive
Director shall perform other duties assigned from time to time by the
Board.

5.3.3. President. In the absence of the Chairman of the Board, the President shall
preside at all meetings of the members. The President shall have such
additional powers and shall perform such duties as from time to time as may
be assigned to him by the Board. The President shall, subject to the control
of the Board, have general and active management and control of the affairs and business of the Corporation, and shall perform all other duties and exercise all other powers commonly incident to his office, or which are or may at any time be authorized or required by law.

5.3.4. Secretary. The Secretary shall attend all meetings of the Board and all meetings of the Membership At-Large and record all the proceedings of the meetings of the Board and of the Membership At-Large in a book to be kept for that purpose and shall perform like duties for the Standing Committees when required. In the absence of the Secretary at a Board meeting or Committee meeting, a majority of the Directors present may appoint a person to act as Secretary for any such meeting. He or she shall give, or cause to be given, notice of all meetings of the Board and special meetings of the Board, and shall perform such other duties as may be prescribed by the Board, the Chairman of the Board and/or the Executive Director, under whose supervision he or she shall be. He or she shall have custody of the seal of the Zope Foundation and he or she shall have authority to affix the same to any instrument requiring it and when so affixed, it may be attested by his or her signature. The Board may give general authority to any other officer to affix the seal of the Zope Foundation and to attest the affixing by his or her signature.

5.3.5. Treasurer. The Treasurer shall have the custody of the corporate funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation and shall deposit all moneys and other valuable effects in the name and to the credit of the Corporation in such depositories as may be designated by the Board or by any officer appointed by the Board. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board, taking proper vouchers for such disbursements, and shall render to the President and the Board, at its regular meetings, or when the Board so requires, an account of all his or her transactions as Treasurer and of the financial condition of the Corporation. If required by the Board, the Treasurer shall give the Corporation a bond for such term in such sum and with such surety or sureties as shall be satisfactory to the Board for the faithful performance of the duties of his or her office and for the restoration to the Corporation, in case of his or her death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in his or her possession or under his or her control belonging to the Corporation.

5.3.6. Reports to Membership At-Large. The Executive Director, with the Secretary’s assistance, shall be responsible for providing periodic written reports to the Membership At-Large with respect to any and all material
developments within the Zope Foundation ("Update Reports"). In addition
to any material development updates, the Executive Director shall issue
general reports on the status of the Zope Foundation on a semi-annual
basis ("Semi-Annual Reports"). Such Semi-Annual Reports shall include:
(i) status reports on development projects, (ii) financial information
reports, (iii) membership information reports; and (iv) any other material
information for such period with respect to the Zope Foundation.

5.3.7. Standards of Conduct for Officers. An officer shall discharge the officer’s
duties, in good faith, with the care an ordinarily prudent person in a like
position would exercise under similar circumstances, and in a manner the
officer reasonably believes to be in the best interests of the Zope
Foundation. In discharging the duties of an officer, an officer shall be
entitled to rely on information, opinions, reports or statements, including
financial statements and other financial data, in each case if prepared or
presented by: (a) one or more officers or employees of the Zope
Foundation whom the officer reasonably believes to be reliable and
competent in the matters presented; or (b) legal counsel, public
accountants or other persons as to matters the officer reasonably believes
are within the person’s professional or expert competence. An officer is
not acting in good faith if the officer has knowledge concerning the matter
in question that makes reliance otherwise permitted in this Section
5.3.7 unwarranted. An officer is not liable to the Zope Foundation, any Member
or any other person for any action taken or not taken as an officer, if the
officer acted in compliance with this Section 5.3.7.

6. Membership at-Large.

6.1. Classes of Membership. There shall be five (5) classes of membership in the
Zope Foundation: (i) Strategic Developer Members; (ii) Strategic Consumer
Members; (iii) Committer Members; (iv) Solution Provider Members; and (v)
Associate Members. As used herein, the term “Member” shall be used to refer
generically to a “Strategic Developer Member,” “Strategic Consumer Member,”
“Committer Member,” “Solution Provider Member” or an “Associate Member”
as applicable. All five classes of membership shall be collectively referred to as
the “Membership At-Large.”

6.2. Membership Qualifications. In general, members are expected to adhere to the
following criteria: (i) express public support for the Zope Foundation and the
Zope Platform; (ii) except for Strategic Consumer Members, Associate Members
and Committer Members, make available a commercial Zope-based product or
service offering within twelve (12) months of joining the Zope Foundation or use
the Zope Platform in the development of a commercial offering within twelve
(12) months of joining the Zope Foundation; and (iii) sign the Zope Foundation Membership Agreement and abide by its terms. Multiple “Affiliates” of an entity shall constitute one (1) Member only, regardless of membership class. For purposes of these Bylaws, “Affiliate” means any entity that is directly or indirectly controlled by, under common control with or that controls the subject party, and “control” means direct or indirect ownership of or the right to exercise (i) greater than fifty percent (50%) of the outstanding shares or securities entitled to vote for the election of directors or similar managing authority of the subject entity; or (ii) greater than fifty percent (50%) of the ownership interest representing the right to make the decisions for the subject entity. The following shall be the requirements for membership in each given membership class:

6.2.1. Strategic Developer Members. Strategic Developer Members shall be entities that meet the requirements of a Strategic Developer Member as set forth under the heading “Strategic Developer Members” in the Membership Agreement, as amended from time to time in accordance with any and all requirements of these Bylaws set forth herein. Each Strategic Developer Member shall be entitled to Board representation in accordance with Section 3.3.1. Thereafter, the Members shall be permitted to cast their votes electronically in response to the distributed ballots. The deadline for receipt of such electronic votes cast by the Members shall be no less than two (2) weeks from the date of the meeting, as set forth in the balloting materials.

The Zope Foundation shall indemnify any person, made, or threatened to be made, a party to any action or proceeding
other than as described in the preceding sentence (i.e., other than one by or in the right of the Zope Foundation to procure a judgment in its favor), whether civil or criminal, including an action by or in the right of any other organization of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any such person served in any capacity at the request of the Zope Foundation, by reason of the fact that he, his testator or intestate was a director or officer of the Zope Foundation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys’ fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such person acted, in good faith, for a purpose which he reasonably believed to be in the best interests of the Zope Foundation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful. 10.3. In no event shall individual Members of the Zope Foundation be subject to the indemnification and advancement of expenses obligations of the Zope Foundation under this section. The indemnification and advancement of expenses granted pursuant to, or provided by, this section shall not be deemed exclusive of any other rights to which a director, officer, employee or other agent of the Zope Foundation seeking indemnification of expenses may be entitled, whether contained in the certificate of incorporation or these Bylaws, or in a resolution of the Board, or an agreement providing for such indemnification or under law or otherwise; provided, that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he personally gained in fact a financial profit or other
advantage to which he was not legally entitled.

10.4. To the fullest extent permitted by applicable law, the Zope Foundation may purchase and maintain insurance on behalf of any person who is a director or officer, or was serving at the request of the Zope Foundation as a director or officer or in any other capacity against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Zope Foundation would have the power to indemnify him or her under this section.

The provisions of any such amended Bylaws will be binding upon all of the Membership At-Large.
